Partners in Mission Needs Your Support!

Territorial Commander Urges Salvationists to Continue Creative Fundraising

To learn more about the urgent need for the Partners in Mission Campaign, please see the message from our Territorial Commander, Commissioner Floyd J. Tidd at <https://salvationist.ca/articles/partners-in-mission-needs-your-support/>

As an update to the ***“Finding the Hope” outreach***, please see the image that will be displayed on the lawn sign. If you are interested in having a sign for your front lawn we are asking for a donation of \$15 to help cover the cost. If you are interested in purchasing a sign or just want to make a donation you can add it to your weekly tithes and offering noting on your envelope that it is for the Finding the Hope Campaign.

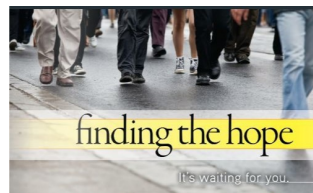

If you are not in a position to donate at this time we understand and just ask that you continue to pray for this campaign. If you are not in a position to donate at this time we understand and just ask that you continue to pray for this campaign.

Please contact Vanessa at the Church office before August 1st if you want a sign so we can ensure we order enough.

Drive in Service Restrictions/Guidelines

1. Vehicles: Each person attending the gathering must always remain in their vehicle, including child passengers. Those attending the service who are in the same bubble are encouraged to carpool in order to maximize parking space. Vehicles must not be left idling. Please ensure you are part of the same bubble as per public health requirements and are not ill.

2. Social Distancing: Windows can be lowered in order to hear the service, and to keep cool, but there is to be NO VISITING at the windows of other vehicles. **You MUST stay in your vehicle.**

3. Building Access: There will be no building access, which means there will be no washrooms available. Sorry for the inconvenience this may cause, however this is all due to the health requirements mandated to us.

4. Collecting of Tithes & Offerings: Tables will be set up for vehicles on your exit to place your donation in a container.

5. FM Transmitter: We are hoping that our FM Radio Transmitter will be working, the station for that is **91.1**. If there any changes you will be notified at the start of the service.

6. Inclement Weather: In the case of inclement weather, the service will be canceled.
