

Re-Opening Plans – Conception Bay South Corps

We are pleased to announce our re-opening plans for inside worship services. At this time, our church building will open for one service per Sunday at 11:00 AM starting on **October 4, 2020**. This service will be live streamed. Until further notice, we will continue with our 6:00 PM Live Streaming service on the Corps Facebook page.

Here is a brief outline of our re-opening plans:

- First and foremost, we must ensure the safety of our people while aligning with all Provincial Health guidelines and those set by The Salvation Army NL Division.
- A limit of 100 people has been set for places of worship provided physical distancing is achieved between individuals or bubbles. This number includes all those participating in a service.
- Registration will be required to manage the number of individuals attending the service and is required for contact tracing efforts. See details below on registering.
- We have enhanced cleaning and sanitizing throughout our building.
- A hand sanitization station will be available upon entering the building.
- Signage will be posted throughout the building for physical distancing. One way traffic flow will be implemented for entering and exiting the building.
- Corps Programming will not be resuming at this time. We will review the introduction of Corps programming at the start of the new year.

To Register for a Sunday morning service:

- Please call Vanessa at 834-6596 from Monday to Thursday during regular business hours for the coming Sunday only! Registration will be done by phone only; please do not leave messages, send text messages, or send email.
 - Please advise us of your bubble when registering so that you can be seated together.
- We ask for your patience and understanding as we work through the registration process. Please be mindful of your neighbour when calling to register for a service. We kindly ask if you have attended a service one week, to please wait a week before calling to register for another service. Thank you!

Important notes:

- Masks are mandatory upon entering the building. Once seated by an Usher, you can remove your mask. We ask that you not be moving around once seated. Handshaking and hugging are not permitted. Congregational singing is permitted only while wearing a mask.
 - Children will be required to stay with their families for the duration of the service (Sunday school/classes/nursery are not permitted at this time).
 - If you are sick, we ask that you please stay home.
 - Additional guidelines regarding the look and limitations of inside worship services will be made available prior to Sunday, October 4th.
- Please be in prayer for the preparations for a safe re-opening. If you have any questions, please contact Major Lloyd George, CSM, or Claudette Hillier, ASM.
